d) Outreach for SMEs to serve on assessments (Dave Bozak via email)
   Dave Bozak submitted the following via email.

   Dave Bozak said the Expert Pool information on the ATSIP website for the eight Board Members listed was test data based on an earlier assessment. Following the June meeting, he updated information for Bob Scopatz, Barbara DeLucia, Bob Rasmussen and Joyce Emery.

   He asked that if other Board Members, including people who are not listed (i.e., Cindy Burch), would provide him with their updated information (which areas of the assessment process they would like listed), he would provide this information to TSASS to update the information in the Expert Pool.

   David provided the SME list that he has to date and asked the Board to help update it. That email was sent to the Executive Board under separate cover. Bozak added that he was disappointed that the earlier outreach (e-mail) to more than 700 people on the ATSIP
distribution netted fewer than 30 people, expressing an interest in expert panels. He had wanted to tie in the hardcopy “Annual Dues Form for Membership” which indicates at the bottom whether people are interested in serving on expert panels; however the Survey Monkey mass e-mailer jumbled the formatting. This may or may not have been a factor.

Perhaps, if the On-Line application form could be made more readily available (rather than embedded in the ‘Members Only’ tab, under Membership, a stronger push could be made for both new members as well as folks interested in serving on expert panels.

6. Web Site (TSASS Staff)
Kellee Holcomb reported that we have four registrations completed and paid (3 with credit cards, plus one P.O. covering 5 attendees). Bob Rasmussen will send the latter person a corresponding invoice as needed by the purchaser. We also have several completed registrations without payment yet. Another few came in yesterday as well.

Bob Rasmussen asked if the membership dues payment system was live yet. Kellee said that reminder notices have not been sent yet. Once the system is turned on, we show that 79 people will get an expiration notice, 21 of those expire in the next 90 days. The actual payment system will go live by August 1st, pending resolution of the PayPal issue.

Ralph Zimmer asked if the proposal to grant scholarships passes, what will be the process for those individuals to register? Will they pay and then be reimbursed or will the system allow them register at a reduced rate? Nils said that the discussion will come up under New Business.

7. 2nd Vice President’s Report, 2014 Forum Update (Tim Kerns)
Tim Kerns provided the following Forum Update via email (Bob Rasmussen presented the email contents verbally):

- 22 abstracts submitted (not including any DOT sessions)
- Deadline for abstracts and best practices is this Friday
- More exhibitors are needed
- Workshops for Sunday are in pretty good shape
- Started working with the hotel for food order
- Identified items to be included with registration - will align purchases with exhibitor income
- Provided hotel with Friday guest list
  - Wanda, Connie, Hadi, Cindy, Bob Rasmussen, Allen (as of now)
  - Stephanie (hotel rep) will start to provide weekly room reservation lists
- Sample agenda is posted on website as a reference for those that need it prior to registration

Nils King added that Jeremy Hodges from Missouri will call him to provide the vendor list from the recent Missouri safety conference so that we can invite those vendors to participate as exhibitors at the Forum.

8. New Business

a. Results and discussion of the TRF Scholarship: Nils King
Nils King reported on the email ballot regarding support for past presidents of ATSIP, past Chairpersons of the Traffic Records Committee of the National Safety Council,
and ATSIP Emeritus members to allow those persons to attend the 2014 Traffic Records Forum at a reduced rate (to be determined). Nils reported that we received nine votes from the Executive Board, all were in favor of providing scholarships. Nils then opened the discussion for the process of collecting the reduced fee. Bob Rasmussen asked if we had determined how much each scholarship will be per person. Nils said that the letter indicated we would cover full registration for the entire conference. Barbara DeLucia asked if that meant everyone who qualifies or only those who could not afford to pay (i.e., it would be a financial burden to attend). We would like those who have a hardship to contact Nils or Tim to ask for assistance before they register. We would then cover the full registration fee for those individuals by giving them a “comp code” (one unique code per individual will be provided by Kellee Holcomb or Bob Rasmussen upon approval) they can use during online registration. Also, Kellee can walk through the registration for these individuals if desired.

b. Bob Scopatz asked for and got approval to inform Jan Falb that her attendance at the Awards Luncheon will be comp’d by ATSIP.
