6. Committee Reports:

a) Constitution (Ralph Zimmer and Jim Davis):
Ralph Zimmer reported that there are no items that the Board has put forward to make in the Constitution. Jim Davis said that there is still a pending issue with differences between the Constitution and the Articles of Incorporation. There is no emergency there, but it should be addressed in the future.

b) Professional Certification Committee (Dave Bozak)
Dave Bozak said that he would defer this to the discussion of the MS2K+ contract.
c) **Best Practices** *(Tim Kerns)*
   Tim Kerns said that everything is on target for the mid-June deadline for submissions.

d) **ATSIP Strategic Planning** *(Chris Madill)*
   Chris Madill sent a briefing to Marty Pollock. He has worked on the environmental scan and draft of the survey. He would like to have a small group of Executive Board members to review it before it goes live. He would also like TSASS to help with the distribution and collection of responses. Chris has asked that we set aside 2-3 hours at the Forum to hold a facilitated session with Chris to help us with our Strategic Planning effort. Cindy Burch said that we have a boardroom available at all times during the Forum and can use it for this purpose.

e) **National Agenda** *(Dave Bozak)*
   Dave Bozak said that we have discussed this at the general meeting during the Forum. He said that he would like to pursue reaching out to a cross-section of the ATSIP liaisons in the DC area. Dave asked that we provide updated contacts for this effort and start to get the dialog started.

f) **Membership/Outreach** *(Bob Rasmussen) (Hadi Shirazi)*
   Hadi Shirazi said that had no updates at this time. He would defer to later in the meeting to discuss Board Member recruitment. Dave Bozak asked if anyone would be attending GHSA in order to represent ATSIP and spread the word on ATSIP membership. Cory Hutchinson said that he is trying to get approval for travel to GHSA and he would be willing to serve as an ATSIP representative on site.

   Marty Pollock said that he would like to talk about the two functions of membership and outreach as separate items and perhaps moving to making them two separate committees. Jim Davis said that this move may or may not require a change in the Constitution. As long as the overall Constitutional structure of the existing committee doesn’t change, there may not be a need to change the Constitution. Bob Rasmussen said that they would know more at the next meeting and lead a discussion for the board to consider whether or not to make a change.

g) **Data Quality & Improvement** *(Bob Scopatz)*
