3. 1st Vice President/Treasurer’s Reports
   1st Vice President Scott Falb—Nothing to report
   Treasurer Bob Rasmussen: I am setting up a standardized format for monthly accounting with monthly financial statement. I am setting up guidelines for rules for future Treasurers. We will have two accounting structures:
1. For ATSIP accounts for the regular income and expenses of the organization.

Nils asked if ATSIP needs either bonding capabilities or Liability Insurance like several other organizations he belongs to.

Bob Rasmussen reported that he had looked into that earlier but he felt that we did not need it at this time. He suggested that we revisit these issues as we grow in the future.

Nils also asked if we may need event liability insurance for the Forum. Bob R. said he had also looked into this and advised that we probably did not need this right now.

Ralph Zimmer advised that his experience with other non-profits led him to believe we may want to protect ourselves from liability against lawsuits for personal injury at the Forum and not just for liability protection against financial malfeasance.

4. Liaison Reports  
None present

5. Committee Reports  
Constitutional Changes  
Treasurer Issue: When the person who is selected for treasurer is already a voting member they will continue to retain voting rights. If person selected as Treasurer is not a voting member of the board they will not acquire voting rights as Treasurer.
