5. Liaison Reports
No liaisons present on the report.

FMSCA
FHWA
NHTSA: Luke Johnson is going to serve as the liaison. Luke spoke with Hadi Shirazi and asked if several of the officers can teleconference with him (Hadi, Ken, and Bob Rasmussen). He said that the Executive program is not going to happen at the Forum this year. The program to fund the Forum is going to be separated from NHTSA, but they need to have some way to communicate with our financial system. Bob Rasmussen said that they require some formal information with us.

6. Committee Reports

Constitutions ____________________ (Ralph Zimmer and Jim Davis)
Jim Davis said that he and Ralph Zimmer are accumulating a list of items to address in the Constitution, but there aren’t enough to force us to make any changes at present.

Best Practices ____________________ (Tim Kerns)
He is not expecting any submissions until next month.

ATSIP Strategic Planning ____________ (Larry Cook)
No report

Membership/Outreach ________________ (Bob Rasmussen)
Bob Rasmussen sent to Dick Paddock and Angie Schmit a reminder letter and invoice. That will go out to all the folks who were current last year but haven’t paid 2011. They are drafting a letter to Forum attendees from 2010 offering them an opportunity to join the organization. Dick said the first letter will go out this afternoon.

**Data Quality & Improvement** (Bob Scopatz)
Working on a draft of the proposal to submit to the USDOT TRCC.

**Policy/Positions & Resolutions** (Kathleen Haney)
Kathleen Haney is going through the files sent to her by Ken Campbell. She will set up a call with Hadi Shirazi to go forward.

**2011-2012 Nominating Committee** (Bob Rasmussen)
The announcement of elections is now out on the ATSIP website. People can add a name to the nominations. Actual ballots will go out in June and the announcements will be made at the meeting in August at the Forum.

7. **Web Site Progress** (Dick Paddock, Angie Schmit)
The nomination information went out to everyone on the roster. The membership invoice should go out today as well. TrafficRecordsForum.org an the ATSIP site both now have the link up for Forum registration.

8. **2011 Forum Update** (Ken Carpenter)
Registration is “open.” We still need to deal with vendor issues. Ken’s main activity right now is to get the Forum announcement out. He was going to take it to the printer today but there will be some changes due to the cancellation of the Executive session. Hoping to get the 40-50 papers he’s received into coherent groupings that he can send as a draft in the 2nd week of April. Hoping to get that out as the preliminary program in mid-April.

It’s time to make the decisions about what to order for bags. That requires that we finalize sponsorship. Ward Vanlaar asked Ken to remind us to go look at the New/Young Scientist web page to sign up to speak on one of the subjects in that Sunday afternoon session.

Ken asked Dick and Angie about the status of webinars. Dick Paddock said he has quotes on the technology costs to do web broadcasting. He’s looking at two concurrent webcasts either from the ballroom and one breakout, or two breakout rooms. The assumption right now is that it would fall under the items that we could use NHTSA money to pay for. Dick asked if we want to have two possible connections? Bob Scopatz asked if it’s easier to scale it back at the last minute or scale up. Dick Paddock said it costs about $500 per day per room to do it. Ken Campbell asked if TSASS can manage the process in the two rooms. Dick said yes. Ken asked if we should handle the MMUCC session as an enticement for NHTSA on Wednesday. We do need to discuss this all with Luke as our new liaison to NHTSA. Dick said he will have a discussion with them at the end of the month.

Scott Falb asked about his presentation that he hasn’t sent in yet. Would there still be room on the program. Ken said that he has room. There are three concurrent sessions filled, but
there is room for a 4th session in each time block.

Barbara Harsha has provided a write-up on the MMUCC session that will go on Wednesday afternoon from 1:00 pm to 5:00 pm.

Hadi Shirazi said that we may end up with two sessions on the Highway Safety Manual.

Hadi Shirazi asked for a motion to reimburse Ken for his expenses in traveling to the conference hotel.

**MOTION:**
Scott Falb moved that ATSIP reimburse Ken for his travel.
Marty Pollack seconded.
Motion passed

9. 2011 Vendor Update (Pete d’Oronzio)
No information. Ken said he hasn’t talked to Pete in two weeks so he doesn’t know what the current situation. Scott Falb said he would call Pete.

10. 2012 & 2013 Forum Update
Hadi Shirazi spoke with Jim Willis, the Mississippi Safety Engineer. He would like to have some contact with someone who has put together a Forum in the past.

Georgia is potentially interested in 2013. Nils King said that he got in touch with a contact in Georgia.

11. New Business
